### Dimensions

|           |                   |
|-----------|-------------------|
| L         | 190mm NOM         |
| W         | 125mm NOM         |
| H         | 95mm NOM          |
| L1        | 220mm NOM         |
| L2        | 203mm NOM         |
| W1        | 90mm NOM          |
| W2        | 100mm NOM         |
| K         | 6.5mm NOM         |
| M (Earth) | Threaded Studs M8 |

### Packaging Specifications

|                    |        |
|--------------------|--------|
| Packaging          | Bulk   |
| Packaging Quantity | 1      |
| Component Weight   | 2.5 kg |

### General Information

|                |                                         |
|----------------|-----------------------------------------|
| Series         | FLLE2-PV                                |
| Style          | Chassis Mount                           |
| Description    | EMI Filter, With Y Capacitor            |
| Features       | Single Phase, Photovoltaic Applications |
| Phase          | Single-phase                            |
| RoHS           | Yes                                     |
| Qualifications | IEC/EN 60939, UL 1283                   |
| Terminal Type  | Threaded Studs M8                       |

### Specifications

|                          |                   |
|--------------------------|-------------------|
| Voltage DC               | 1200 VDC          |
| Rated Current            | 100 A (50°C)      |
| Rated Temperature        | 55°C              |
| Temperature Range        | -40/+100°C        |
| Climate Category         | 40/100/21         |
| Test Voltage DC (P to P) | 1300 VDC          |
| Test Voltage DC (P to E) | 1300 VDC          |
| Power Loss               | 15 W (25°C 50 Hz) |

Statements of suitability for certain applications are based on our knowledge of typical operating conditions for such applications, but are not intended to constitute - and we specifically disclaim - any warranty concerning suitability for a specific customer application or use. This information is intended for use only by customers who have the requisite experience and capability to determine the correct products for their application. Any technical advice inferred from this information or otherwise provided by us with reference to the use of our products is given gratis, and we assume no obligation or liability for the advice given or results obtained.
