### Technical data

#### General

|                  |                   |
|------------------|-------------------|
| Housing type     | Component housing |
| Housing material | Polycarbonate, PC |
| Color            | transparent       |

#### Ambient conditions

|                                 |                   |
|---------------------------------|-------------------|
| Ambient temperature (operation) | -40 °C ... 125 °C |
|---------------------------------|-------------------|

#### Dimensions

|                       |        |
|-----------------------|--------|
| Length                | 38 mm  |
| Constructional height | 7.5 mm |
| Width                 | 100 mm |

#### Technical data

|                                         |    |
|-----------------------------------------|----|
| Inflammability class according to UL 94 | V2 |
| Number of positions                     | 38 |
