

## Marker for terminal blocks - TMT 6 R CUS - 0824488

Please be informed that the data shown in this PDF Document is generated from our Online Catalog. Please find the complete data in the user's documentation. Our General Terms of Use for Downloads are valid (<http://phoenixcontact.com/download>)

Illustration shows the product TMT 4 R YE

Marker for terminal blocks, can be ordered: By line, white, labeled according to customer specifications, Mounting type: Snap into universal marker groove, Snap into flat marker groove, for terminal block width: 6.2 mm, Lettering field: 6.35 x 6.15 mm

### Product Features

- The TMT labeling range includes markers for all products with tall and flat marker grooves
- Labeling service: Phoenix Contact can custom-label all TMT markers according to your requirements
- The perforated marking strips are easy to separate and can be easily fitted using the tool supplied
- The markers that are supplied in roll format can be labeled quickly and cost-effectively using THERMOMARK printers

### Key Commercial Data

|                   |         |
|-------------------|---------|
| Packing unit      | 1 pc    |
| Country of origin | Germany |

### Technical data

#### Dimensions

|            |         |
|------------|---------|
| Length (b) | 6.35 mm |
| Width (a)  | 6.15 mm |

#### Ambient conditions

|                                 |                                |
|---------------------------------|--------------------------------|
| Ambient temperature (operation) | -40 °C ... 120 °C              |
| Recommended storage conditions  | 23 °C / 50 % relative humidity |

#### General

|                       |                                |
|-----------------------|--------------------------------|
| Color                 | white                          |
| Base element material | Polyester foil                 |
| Components            | free from silicone and halogen |
| Material              | Polyester                      |
